Greeting Our God with Joy

Call to Worship (Excerpt from Psalm 66):

Make a joyful noise to God, all the earth. Sing glory to God and praise the Lord! Come and see what God has done: how awesome the deeds among mortals. Bless the Lord, O peoples, let the sound of God's praise be heard. Truly God has listened; God has smiled on us and hears our prayers. Let us worship God!

\* Opening Hymn No. 749

\*please stand as able

Renewing Our Relationship with God

Prayer of Confession (in unison):

Forgiving God, once more we seek your pardon and protection. We find ourselves in exile from the best we know. We have focused so much of our attention on our own concerns. Yet, we often neglect the welfare of our community. We see our own hardships more readily than we feel the vast suffering around us. We forget God's blessings, and thus fail to bless others. Restore us to covenant faithfulness, in Christ's name we pray. Hear us now in silence...

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts as we forgive our debtors; and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

Forest Hill Church is called to be the Body of Christ as described in the Book of Order. We are steadfast and active participants in building the Beloved Community. We appreciate you for your contributions to the mission and ministry of Forest Hill Church. Whether you are renewing/increasing your financial gift or if this is your first pledge, remember all pledges are important in building the Beloved Community. #### **MINISTRY OF JUSTICE AND MISSION GRANTEES 2019**

**Abundance Food Pantry:** Volunteers distribute groceries to an average of 180 households each week. By working with the Greater Cleveland Food Bank, the FHC- based pantry provides a food safety net for those in need in a variety of neighborhoods. Once each month, FHC volunteers also prepare a hot meal and serve as table hosts for the pantry guests. J&M funds help purchase food from the Food Bank. There are many volunteer opportunities. Please contact Paul Jennings (Jennings\_paul@att.net) for more information.

Americans Making Immigrants Safe (AMIS) works to raise funds to support a Haitian asylum seeker in our community. The J&M grant will be used for the education costs of his children.

**Boulevard School** in Cleveland Heights and FHC have had a partnership since 2003. Over the years, our church has supported the school by providing school supplies, winter coats, used books, holiday gifts, and volunteering in many ways. The needs change every year. This year there are needs for children and young adult clothing for the new clothing closet, volunteers to help with a monthly fresh produce school market, and support for the Holiday Angel program. J&M helped fund the Faiths Alive program which provides funds to help with the gap needs of students.

**Camp Lilac**, co-founded by Ann Williams is a camp for youth who are transgender. This year we have supported them through the endowment fund and community grants for two administrative assistants, and for the creation of staff handbooks and training curriculum.

**Dougbe River School** is a not-for-profit Presbyterian school in Liberia which aims to help its 240 students to find pathways out of global poverty through education and self-development. J&M funds are directed to a beekeeping program.

**Family Promise of Greater Cleveland** provides temporary housing and supportive services to homeless families so they can achieve long term stability. Our funding this year went to provide food and baby formula. These funds will not only meet an urgent food need but will also enable the families to focus on other needs such as securing permanent housing.

**Greater Cleveland Congregations (GCC)** is a non-partisan coalition of faith communities and partner organizations in Cuyahoga County working together to build power for social justice. J&M funds pays Forest Hill's membership dues which help run the organization.

**Home Repair Resource Center** strives to empower residents with the knowledge and skills they need to maintain their homes for sustainable & diverse communities. The J&M grant will provide operating support to identify, acquire, and rehab houses in the Noble neighborhood of Cleveland Heights.

**International Partners in Mission** works across borders of culture, faith, and economic circumstance with children, women, and youth, to create partnerships that build justice, peace, and hope. Our funding provided support for "Connecting People to the World," a process to bring 20-25 people together to create social cohesion through shared experiences, discovering common ground.

**Labre Ministry** serves meals at the East Cleveland Our Family Home Center every other week. J&M funds provides the rent for the center. The food is cooked and served by FHC volunteers. More help is always welcome.

**Metanoia** is a seasonal overnight hospitality center serving the shelter-resistant homeless population. That is based at St. Malachi's Church. Our funding provided the cost of operating the shelter for one night during the winter, which operates in a low-income area on the Westside.

**PRISM** is a 40-hour racial equity learning lab designed to help Forest Hill members and friends better understand how racism manifests within self and society.

**Restore Cleveland Hope** tells the stories of the courageous Freedom Seekers who came to Cleveland on the Underground Railroad and their black and white allies already here. RCH is justly credited with saving the Cozad-Bates House from demolition and its eventual partnership with and management by University Circle Incorporated. The J&M grant is for a short-term staff person to organize records for more efficient operation and fundraising.

**Transformative Stories** is a project of the "Coalition To Stop The Inhumanity" at the Cuyahoga County Jail, which aims to bring artists and activists together to find new ways to help formerly incarcerated people tell their stories of trauma, healing and hope.

**Volunteer Income Tax Assistance (VITA)** program provides free tax preparation to lessen the tax burden on low to moderate income individuals. The J&M grant provided funds for additional office equipment to serve Cleveland Heights and South Euclid residents, including our guests at Abundance Pantry

**Y-Haven** offers healing and hope by providing temporary housing and drug and alcohol treatment to adults in Cuyahoga County who are most in need. Formed in 1993 by the YMCA of Greater Cleveland, Y-Haven has helped thousands recover from addiction, secure permanent housing, and rebuild their lives. J&M's community grant and an allocation from Endowment will enhance a community room where residents may enjoy and support each other.

**Yoga for Kids** is a pilot program aimed at using yoga and meditation as an alternative for punitive disciplinary action for young children who have experienced multiple traumas. This program is being designed and implemented by Virginia Weiss.

Tara Beverly, Youth Leader Anne Wilson, Director of Music

For many years, Forest Hill has offered the Faith Leader program. Participants in this program meet once a week for about seven months to develop spiritual practices that help them grow closer to God and discern God's call in their lives. During the off years when Faith Leader is not offered, Forest Hill has started offering Small Plates. Each of these experiences focuses on just one spiritual practice and is relatively short in duration. With the guidance of the Holy Spirit, Forest Hill will offer the following Small Plates experiences to nurture and stretch our spiritual growth:

#### Bread Making: The Spiritual Practice of Gratitude, Presence, and Care

What memory do you have about bread? Come share stories, faith and recipes as we bake bread together! This small plate offering will meet for five consecutive Saturday mornings starting **October 26 and ending November 23. We will meet from 10:00 am until noon in the church kitchen.** We'll bake bread from different cultures, and even try our hand at making bread for our own Forest Hill communion service. Cost is \$5 per class. Registration will be for each class individually, and is limited to eight people per class. This class will be led by Deanne Lentz, Chris Henry and special guests! Registration information will be available soon. "I knead bread to experience God" - Deanne Lentz

#### Yoga for People of Color

While yoga originated in ancient India, its popularity among white people in the United States has made it so people of color do not always feel safe or welcome in yoga studios and classes. In the development of this small plate, God's call for Forest Hill to provide a safe place to those who have been wronged has grown louder. People of color are invited to join a yoga class lead by Dawn Rivers of Daybreak Yoga. The cost is \$12 per each of five sessions which will be **November 16, 23, 30, 14, and 21.** Specific times for the sessions will be available soon. Spread the word! This small plate is intended for any person of color, whether they attend Forest Hill Church or not. For more information, contact Marcie Denton at marciedenton70@gmail.com.

#### "White Fragility" Book Discussion Group:

Come explore the book "White Fragility: Why it's so hard for white people to talk about racism" by Robin DiAngelo. This small group will read together and uncover the issues that make racism such a challenging topic for white people to deeply engage. Through study and conversation, become more aware of the barriers that prevent each of us from becoming active allies in the work of racial justice and reconciliation. **Beginning on October 20, we will meet weekly on Sunday afternoons from 5 - 6. The class will conclude on November 24.** COST: \$15 will cover the cost of the text and supporting materials. Email Todd Webster with any questions toddwebster1967@gmail.com.

Forest Hill is a community, and we are here to help each other out. If the cost for any of these Small Plates could be a barrier to your participation, please contact one of the organizers.

# A memorial service (celebration) for Nan will be held at Forest Hill Church Saturday, October 26 at 10:30 am. There will be a lunch reception in Fellowship Hall following the service.

I (David) set up an email address (nan.dorer27@gmail.com) so that people can RSVP for lunch after the service. You can also send in a written reflection about my Mom, either in the body of the email or as an attachment. I will gather these into a booklet that I will distribute at lunch. I will also email (or regular mail) the booklet out to people who were unable to attend. So people should send an email regardless. The service that my mom wrote says "NO TESTIMONIALS." That would be her! The booklet will be in keeping with her wishes by letting people "speak" through their contribution to the "memories" booklet without talking during the service. If some would prefer mailing me a paper copy of a writing, my address is:

#### David Dorer 26 Beals St Brookline MA 02446.

I really enjoyed reading the memories that people had of Judy, my sister. Thanks again!

Blessings, Dave Dorer

#### **BELOVED COMMUNITY** manifests and protects agape love as guiding principle and expresses in the following ways:

1. Offers radical hospitality to everyone, an inclusive family rather than exclusive club.

2. Recognizes and honors the image of God in every human being.

3. Exhibits personal authenticity, true respect, and validation of others.

4. Recognizes and affirms, not eradicates, differences.

5. Listens emotionally (with the heart); fosters empathy and compassion for others.

6. Tolerates ambiguity; realizes that sometimes a clearcut answer is not readily available.

7. Builds increasing levels of trust and works to avoid fear of difference and others.

8. Acknowledges limitations, lack of knowledge or understanding, and seeks to learn.

9. Acknowledges conflict or pain in order to work on difficult issues.

10. Speaks truth in love, always considering ways to be compassionate with one another.

11. Avoids physical aggression and verbal abuse.

12. Resolves conflicts peacefully, without violence, recognizing that peacefully doesn't always mean comfortably for everybody.

15. Persists unyieldingly and unwaveringly committed to justice.

16. Achieves friendship and understanding through negotiation, compromise, or consensus, considering each circumstance to discern which will be most helpful.

17. Righteously opposes and takes direct action against poverty, hunger, and homelessness.

18. Advocates thoroughgoing, extensive neighborhood revitalization without displacement (this also applies to the Church, working toward responsible and equitable growth, discipleship, and worship).

19. Blends faith and action to generate a commitment to defeating injustice (not forgetting that injustice can also be found *within* the Church).

20. Encourages and embraces artistic expressions of faith from diverse perspectives.

21. Fosters dynamic and active spirituality; recognizes that we serve a dynamic God who is not left behind by a changing world or people, and that a passive approach will not work.

22. Gathers together regularly for table fellowship and meets the needs of everyone in the community.

23. Relies on scripture reading, prayer, and corporate

13. Releases resentment and bitterness through selfpurification (avoiding internal violence through spiritual, physical, and psychological care).

14. Focuses energy on removing evil forces (unjust systems), not destroying persons.

worship for inner strength.

24. Promotes human rights and works to create a non-racist society.

25. Shares power and acknowledges the inescapable network of mutuality among the human family.

## **Exciting News for Greater Cleveland Congregations!**

Keisha Krumm, an IAF (Industrial Areas Foundation) Organizer for more than 17 years will become GCC's new Lead Organizer on **November 1**. We can't wait! John Lentz and I were privileged to be part of the interview/selection process, and I know I speak for both of us in saying how thrilled we are that Keisha said an enthusiastic *Yes!* to GCC's invitation. To play on Dr. Seuss, "Oh the places you will go," GCC. Keisha is a strong and proven leader and community-builder; she has committed her life to seeking justice where injustice reigns and to empowering others – individuals and congregations – to be part of this important work.

Keisha has a master's degree from the Mennonite Brethren Biblical Seminary in Christian Community Development. She and her husband Stuart have a daughter, Olivia. Keisha comes to us from our sister IAF organization, Common Ground Milwaukee, where she has been Lead Organizer for the past 8½ years. Prior to that she was an IAF Organizer in Los Angeles and Seattle/Tacoma.

I had the opportunity to represent GCC at Keisha's farewell party. About 80 leaders gathered from multiple congregations, Black, White and Latino – and impressively, they seemed to all know each other. The program was chock full of memories and appreciations that characterized Keisha as a caring friend, a devoted mother and a leader passionate about injustice, full of the cold anger that stands firm in the face of power. Though I didn't think it possible, I came home even more excited about the gifts Keisha will bring to Cleveland and the work we will do together as GCC.
